Subject: Proposal for a "Web Site design and Development" Course for Students

Respected Mam,

I am writing to propose the introduction of a Six month "Web Site design and Development" course at IBSAR Group of Colleges. This course will serve as a valuable addition to the existing academic offerings, providing our students with an opportunity to acquire a unique and creative skill.

This course will be held by the Prof. Amit Gadkari

Course Details:

Course Name: "Web Site design and Development"

Duration: 6 Months

Course Fee: Approximately 8,000 INR

The objective of the course

- Rooted in our commitment to the holistic development of our student community. We have observed that a significant portion of our students come from rural areas where access to quality education and career opportunities is limited.

Thank you for your time and consideration. We look forward to the opportunity to discuss this proposal in more detail and work together to provide our students with the skills they need for a brighter future.

Subject: Proposal for a "Computer Hardware and Maintenance" Course for Students

Respected Mam,

I am writing to propose the introduction of a three-month "Computer Hardware and Maintenance" course at IBSAR Group of Colleges. This course will serve as a valuable addition to the existing academic offerings, providing our students with an opportunity to acquire a unique and creative skill.

This course will be held by the Prof. Amit Gadkari.

Course Details:

Course Name: Basic Mehandi

Duration: 3 Months

Objective of the Course:

- The primary objective of introducing the "Computer Hardware and Maintenance" course is to cater to the educational needs of a significant portion of our student population who come from rural areas.
- We believe that access to quality education should not be limited by one's geographical or socioeconomic background. By offering this course, our aim is to provide our students with an opportunity to "Learn to Learn," equipping them with valuable skills that can lead to meaningful employment opportunities.

Thank you for your consideration of this proposal. We look forward to your positive response and the opportunity to make a meaningful difference in the lives of our students.

Subject: Proposal for a Basic Makeup Course for Students

Respected Mam,

I am writing to propose the introduction of a three-month **Basic makeup** course at IBSAR Group of Colleges. This course will serve as a valuable addition to the existing academic offerings, providing our students with an opportunity to acquire a unique and creative skill. This course will be held by the prof. Sakshi Hajare.

Course Details:

Course Name: Basic Makeup

Duration: 3 Months

Course Fee: Approximately 6,000 INR

- The primary objective of this course is to empower our students with practical skills in the field of makeup artistry.
- In India, where festivals play a significant role in the lives of people, there is a high demand for makeup artists during these occasions.
- Many of our students come from rural backgrounds and face financial challenges. They often rely on part-time jobs, particularly during the festive seasons, to support themselves and their education.
- By providing a "Basic Makeup" course, we intend to equip our students with a valuable skill set that can be utilized during festivals and other events.

We kindly request your consideration of this proposal for the betterment of our students' education and future prospects.

Please grant the proposal
