#### Year 2022

On **17.06.2022**, seminar was conducted on '**sexual harassment**' in Panvel. The purpose of seminar was to educate individuals about the issues and promote a safe and respectful environment to prevent incidence of harassment. It aims to empower people to recognize, report and address sexual harassment effectively and ultimately contributing to a more equitable and inclusive society.

Our students of Second Year BLS/LLB performed a street play on the topic of sexual harassment. They showcased about how females can be abused by males or males are abused by females at workplace. We also tried to show how small girl child can be abused by male teachers. We also emphasized on how to communicate the same to their seniors and how to fight for it rather than just keeping mum.

After the play is over, some queries were raised by the audience. Some of the questions were as follows,

Which are the other places where sexual harassment can take place?

What is the difference between sexual harassment and sexual assault?

How we can stay away from this incidence?

We answered their questions giving short explanation like below,

Any other places like private tuitions, at home by relatives or friends. Difference between sexual harassment and sexual assault is first one violates civil laws and sexual assault usually refers to act that are criminal. We can learn self-defensing, we can provide information to small girls about good touch and bad touch.
