

# IBSAR<sup>®</sup> School of Law

## Criteria 4

### 4.3: IT Infrastructure

**4.3.1. Institution frequently updates its IT facilities including Wi-Fi.**

#### 4.3.1

IBSAR SCHOOL OF LAW has well established facilities and systems to get proper global knowledge to the students. It ensures the access of the digital systems to the students helping them to online learning, educational sources enabling students to explore variety of topics and subjects.

Institution frequently updates its facilities which are as follows:

1. LCD projectors in classroom:

Institute has various LCD projector in classroom for increasing their digital knowledge. Institute faculties uses this projector making it easy for teacher to integrate technology into their lesson. A variety range of educational session are displayed on projector increasing the interest of students in academic learning. Institute conducts presentation programs for students where students raise their confidence to present and speak, enhancing the learning experience for teachers and students.

2. Technology assisted learning:

Institute provides technology assisted learning which involves the use of technology to enhance the learning experience to the students. Institute faculty uses the technology assists in delivering courses and educational content by using internet which includes video lecture, interactive quizzes and discussion forums which makes the learning interesting. Various online tests are conducted by using digital sources which provide immediate feedback on assessments which helps students track their progress and make improvements.

3. CCTV camera for security:

Institute has CCTV camera in various areas of campus premises for the security of students and staff. It helps in monitoring each and every activities in the premises. College uses the CCTV to monitor student behavior, promoting safe and respectful

environment. The CCTV cameras can discourage destruction, theft and other criminal activities in campus.

4. Internet Connection:

Institute has WIFI facilities in premises allowing internet access to the students. The internet offers the extensive information, allowing students to access research materials, articles and academic resources quickly and easily. Students are able to conduct research using online database, journal expanding their academic horizon and supporting their assignments and project. The online tools make easy for the students to communicate and clear their queries with faculty.

5. Library:

Institute has well organized library for students. Library provide access to wide range of academic resources including books, journals, reference books and research papers enriching the learning experience. Library also provide quite and focused environment for studying, conducive to academic productivity. To maintain Library discipline and distribution of books college provides library cards for every students and its record is being regularly maintained by library assistant. Library books are frequently updated as per new edition of books published.

6. IT Examination Portal:

Institute uses IT examination portal to keep track on various examination process and updates. IT portal helps the examination process, from registration to result declaration, reducing administrative workload. This IT portal helps students register for exams, receive notification, and access study materials online making the entire process more convenient.

7. Online Software Admission Portal:

Institute uses CET cell for admission process for students. It promotes transparency in the admission process by conducting merit-based selection of students. This online portal helps the college to maintain the process for conveniently. Also this helps

### About IBSAR

IBSAR has two campuses: one at Belapur, Navi Mumbai and the other at Karjat.

IBSAR KARJAT campus conducts degree programs, such as BMS, B.Com(Banking & Insurance) & B.Sc.(IT), affiliated to the University of Mumbai, in turn approved by AICTE and Government of Maharashtra. In addition, the institution also runs a 5 years integrated Course on BLS LLB, approved by Bar Council of India New Delhi.

IBSAR has state-of-art facilities like a well equipped library, networked campus with 24 hours Wi-Fi facility, auditorium and classrooms.

Additional Courses like Paramedical, Diploma in IT & Pre-Primary Teacher Training, are also conducted on campus.

Personality Development Programmes, Skill Enhancing Career Development Workshops, Business Simulations, Continuous Industry Interaction, LIVE Projects, Assignments, Seminars, Case Studies and on Job Training Modules are also considered, an integral part of the curriculum.

The Institute is the vision of Dr M.L. MONGA (Gold Medalist Ph.D (Mgmt.) Fellow(APO) Jaoran, LDP(CCL) North Carolina, USA.
